

ARCHERY LESSONS WITH DESERT ADVENTURES

When: July 28, 2018 from 1:30 – 2:30pm

Where: Archery Headquarters Academy
6401 W Chandler Blvd
Chandler, AZ

Cost: Members \$25, Guests \$27

Join Desert Adventures for a 1-hour lesson to introduce you to the basics including archery range safety and fundamental shooting techniques in the cool indoor range.

At one time, archery was mainly used in combat and in hunting. In today's world, archery is considered a sport and is also still used as a means to hunt. Thanks to many popular movies, such as the Hunger Games, archery has gained in popularity and many people are wanting to either learn archery or enhance their skills. Archery Headquarters Academy is the perfect place for both.

We have room for 12 individuals to have fun and learn a new skill at the same time. If you already know the basics, this is a good time and place to practice. Equipment is provided.
