The Book of Mormon was awarded nine Tony Awards, one of which was for Best Musical, and a Grammy Award for Best Musical Theater Album. The Book of Mormon follows two young missionaries who are sent to Uganda to try to convert citizens to the Mormon religion. One missionary, Elder Price, is an enthusiastic go-getter with a strong dedication to his faith, while his partner, Elder Cunningham, is a socially awkward but well-meaning nerd whose tendency to embroider the truth soon lands him in trouble. Upon their arrival in Africa, Elders Price and Cunningham learn that in a society plagued by AIDS, poverty and violence, a successful mission may not be as easy as they expected. Contains explicit language.
