Desert Adventures will be having our June Social at the beautiful and historic Trinity Episcopal Cathedral. We'll meet in the Atwood Hall, at the parking lot entrance to the building.

The Trinity parish congregation began construction on the current building in 1915. Construction was completed in 1920 and the first service was held on Christmas Day that year. In 1988, Trinity Parish was made the Cathedral of the Diocese of Arizona. It is one of only a handful of open and active diocesan Cathedrals in the nation. Other notable cathedrals include the National Cathedral in Washington, D.C., the Cathedral of St. John the Devine in New York City, and Grace Cathedral in San Francisco.

There will be a tour of the Cathedral as well as time to visit with your Desert Adventure friends and learn more about upcoming club events.
