Join your Desert Adventures friends for a unique dining experience. Once you register, we will add you to the reservation list & we will sit together.

Fogo de Chão is an authentic Brazilian Steakhouse. Your experience begins with the gourmet Market Table consisting of seasonal salads, fresh-cut vegetables, cured meats, smoked salmon and imported cheeses. The menu includes delectable cuts of fire-roasted meats, such as sizzling steaks, lamb, chicken and pork, served by Brazilian-trained gaúcho chefs that prepare, cook, and carve the meats tableside. A new lighter seafood option is available, as well.

To complement the main dishes, enjoy a variety of traditional Brazilian side dishes, such as the world famous pão de queijo (warm cheese bread), served tableside. To enhance the dining experience, patrons can select from an extensive, award-winning wine list or signature Brazilian cocktails.

You can order the **All-You-Can-Eat** Full Churrasco Experience, which includes Market Table & Feijoada Bar, **\$51.95**, or just the Market Table & Feijoada Bar, **\$26.95**. The Market Table option is great for **vegetarians**. There are also 2 Sea Bass options ranging from **\$34.95 - \$42.95**. Complimentary valet parking is available along with self-parking.
