

Kartchner Caverns Campout

Friday February 15th - Sunday 17th

Enjoying a relaxing Valentine weekend at Kartchner Caverns State Park. Both caves will be open and there are several trails to explore. The formations in the

caves have been continuously growing for tens of thousands of years. The caves are "living" which means water still percolates in so that formations continue to grow. Be sure to make your cave tour reservations early.

Saturday evening is a potluck so please bring a dish to share. **Dessert** will be provided.

We have reserved 5 sites, one of which is a pull through. Each site has electric, water, table, use of the shower/restroom and dump station facilities. Pets are allowed in all outside areas but they should be leashed. We have sites around the communal fire pit so please bring some firewood.

Some of us are going up a day early, so if you would like to join us for Thursday night, contact the event coordinators for which of our 5 sites are available for you to reserve.
