**Tour Arizona's only working olive farm & mill.** You will learn about their products & farm, their unique olive tree varieties, see how Extra Virgin Olive Oil is made, the different classes of Olive Oil & the health benefits of Extra Virgin Olive Oil.

**Queen Creek Olive Mill** is home to one of the most exclusive gourmet marketplaces in Arizona. Inside, you will find our selection of signature Extra Virgin Olive Oils, tapenades, stuffed olives, and balsamic vinegars as well as our line of Olivespa products. In addition to our branded products, we also carry a wide variety of local and directly imported wines, specialty cheeses, imported Italian ceramics from Tuscany, and unique local treasures ranging from honey and chocolate, to jewelry, cookbooks and kitchenware.

**Christmas is just 9 days away**, so shop for unique gifts & local foods. The Olive Mill's unique gift boxes are perfect for those hard to shop for. The Queen Creek Olive Mill is the only producer of Arizona Extra Virgin Olive Oil & is used by top chefs in Arizona, so your gift will be uniquely Arizonan. They also have a nice array of wines.

**After the tour, we will do a little shopping and then dine in the grove.** You can order inside at del Piero Mediterranean cafe or grab a burger or dog outside in the grove. This is a no-host lunch.
