

Rules for Public Use

There is wildlife on the property. Our goal is to keep wildlife wild, and ensure visitors opportunities to visit the space without impact to the wildlife. Therefore:

- Stay on the trails and in public areas, such as wildlife viewing blinds. Maintain a respectful distance from any wildlife or nests. Site has ADA accessible trails.
- Keep animals "wild"- do not feed wildlife or leave any kind of food unattended.
- Semi-domestic ducks (mallards) may be fed at the Water Ranch Lake ONLY, and are restricted to bird seed, cracked corn, or whole grain cereal. **(Items such as popcorn, snack crackers, bread, etc. are harmful for fowl to eat.)**
- Don't litter. Use appropriate containers for trash and recyclable materials.
- Do not release domestic or wild animals onto the property.
- Do not damage or remove plants, including flowers.
- Do not harm or capture wildlife, including insects on the property.
- Abide by staff parking designations at all times posted.
- Bikes permitted on trails and sidewalks throughout the site - Please yield to pedestrians.
- No illegal substances, alcohol, or glass containers permitted on site or parking lot. Carrying a firearm in this park is limited to persons who possess a concealed weapons permit.
- Be aware that retention basins (ponds) contain reclaimed water. Although disinfected, they are intended for wildlife only.
- Please turn lost items in at the library lost and found.
