

Lunch and Art tour at The Found:re

Join your DA art lovers for lunch at noon on Saturday January 25th.. Bring a friend and your holiday stories and let's catch with each other *on the Patio while we enjoy culinary delights from* The MATCH Restaurant & Lounge. The menu at this hip, all-day spot in Downtown's Found:re Phoenix Hotel has sections for pizza, pasta, as well as "land," "sea," and "vegetable" options. Drinks include artisan cocktails and an extensive beer and wine list.

After lunch everyone is welcome to join a tour of the art galleries. The soul of the hotel is centered on a vibrant art background, led by Art Curator Michael Oleskow. He has sourced more than 25 artists to feature works of various mediums into every aspect of the guest experience, igniting curiosity and a sense of discovery. Both the Studio and Gallery meeting spaces feature a roster of rotating shows, pop-ups and artists throughout the year. Each piece of art has been sourced from Arizona artists, supporting the local artists, economy and overall health of the community.
